Dear Colleague,

Indigo Pipelines Limited Metering Charges Statement

We are pleased to publish the latest version of our Metering Charges Statement, which is effective from 1st April 2025.

Annual MAP Meter Rental Charges for all meter types have been increased in line with inflation (RPI 3.15% as published by Ofgem).

MAM Transactional meter works charges have also been increased by RPI (3.15%) to reflect rises in our costs, primarily the charges we must pay our external contractors.

If you require any additional information, please feel free to contact me using the phone number or email address above.

Yours faithfully,

Cher Harris
